Date : jeudi 13 novembre 2025 à 17:30 UTC

Dear Colleague,

I would like to inform you that the paper: Bridging the Gap: Aligning College Algebra Curriculum with Applied Sciences through Practical Contexts and Technology (**Paper Code**: 2025-6786-AJE-STA) is considered for publication in the **Athens Journal of Education (AJE)**. If you are interested in reviewing it **by 5 December**, we will send you more information on how to proceed.

You are also welcome to contribute to the **AJE** with an original research paper (journal publication is cost free). The submission form is available at: https://www.athensjournals.gr/form.

You are also welcome to submit a proposal for presentation at the **20th Annual International Conference on Mathematics: Teaching, Theory & Applications, 29-30 June & 1-3 July 2026, Athens, Greece** (www.atiner.gr/mathematics). If you need more information, please let me know, and our administration will send it to you including the conference website and abstract submission form.

My best regards,
Zoe

Dr Zoe Boutsioli Vice President of Publications, Athens Institute
(A World Association of Academics and Researchers)

*Please note that as a world association of academics and researchers with a very specific mission (please see our website), ATINER is based on the voluntary work of our members and friends. This includes the toil of sending this email to you, so please let us know if you are not interested so that our work is not in vain. If you no longer want to receive emails from us, please click **unsubscribe** below. This way you will avoid the nuisance of receiving emails from ATINER.*
